WORK EXPERIENCE

Rutgers University - New Brunswick, NJ

Student Programmer at LCSR

October 2018 - Present

Fixed bugs and added new features per client request to an existing desktop Java application used by ASL annotators to annotate sign language videos. Used version control (Git) to work collaboratively in a team with other developers. Wrote small scripts (Python / Bash) to automate regular workflow.

Edison Twp. Board of Education - Edison, NJ

Computer Technician Intern

July 2016 - August 2016, June 2017 - September 2017, June 2018 - August 2018

Had to troubleshoot hardware problems with student issued laptops. Wrote basic shell scripts to automate software installation processes. Maintained and updated software required per district's guidelines.

EDUCATION
