

Tarun Boddupalli

Student Developer

Edison, NJ
(732) 692-4957
tarunbod@gmail.com

WORK EXPERIENCE

Rutgers University – New Brunswick NJ

Student Programmer at LCSR

October 2018 - Present

Fixed bugs and added new features to an existing desktop Java application used by ASL annotators to annotate sign language videos. Used version control (git) to work collaboratively in a team with other developers. Wrote small scripts (Python / Bash) to automate regular workflow.

Edison Twp. Board of Education, Edison NJ

Computer Technician Intern

July 2016 - August 2016, June 2017 - September 2017, June 2018 - August 2018

Had to troubleshoot hardware problems with student issued laptops, wrote scripts to automate software installation processes, maintained updated versions of software and antivirus on Windows PCs.
